IN MISSISSIPPI

BEER IS A NATURAL

As natural as the wholesome grains and tangy hops from which it is brewed, beer is Mississippi's traditional beverage of moderation—light, sparkling, delicious.

And naturally, the Brewing Industry is proud of the good name it provides for so many folks in Mississippi. Not only for employees of the Brewing Industry itself, but also for the farmers and other suppliers of beer's natural ingredients. In Mississippi, beer belongs—enjoy it.

Realty edges Krankey

Reinike over Traps in 10-inning bout

Reinike's Dirt Dabbers upset Traps' Knack Knack 3-2 Friday night in a hot-batting Bay Sidelines League thriller after Southern Realty had slipped Krankey 7-6 in an equally exciting game-opening opener. Thus Realty once again moved even with the Traps in the race for the league's top spot.

Traps' strategy backfired in the 10th inning of a well-played challenge with the Dirt Dabbers. The Traps elected to purposely walk Reinike cleanup batter Gene Rogers with runners on second and third and one out. Carl Halverson then grounded to short for a three play while what proved to be the winning run crossed the plate. Reinike covered again in the inning but the extra playing wasn't needed.

The Dabbers grabbed an early 2-0 lead, the big blow a two-run single in the third by shortstop J. V. Marzetta. The Traps talked on centered run in the third before scoring three in the fourth on singles by Billy Breland, Gene Rogers, Herman Vanborough and Billy Murphy. Both teams then went scoreless for five innings. Red Reinike, who plays only in the big games, sparked his own team at the plate with three hits in four trips to the plate. Tennessee was 2-3 and Hoover Corbett 3-5. Billy Murphy was 3-5 and Gene Adams and Billy Breland 2-4 in a losing cause.

Billy McDonald pitched the distance for Reinike to gain the win. Gene Rogers also hurtled the full 10 innings and was the hard-luck loser.

Southern Realty, down by a run in the seventh and final scheduled inning with two out and nobody on base, rallied to tie the upset-minded and improved Krankey and went on to win in the ninth inning.

Krankey never trailed until the ninth after scoring four runs in the first inning. Realty fought back with three of their own in the first but Krankey pulled away once again and led 6-4 entering the seventh when Realty finally caught up. After one run the seventh on a double-play ground-out, James Ginn and Bill Watts kept hopes alive with two-out singles. J. T. Ladner then lined a single pending the tying run home.

Southern Realty threatened in the eighth with two hits but couldn't score, then Krankey almost broke on top. Only a beautiful throw by Charley Tortavouille from centerfield to catch a baserunner at third and a one-handed leaping catch by shortstopper Toy Tedford against the fence in center prevented a run from scoring. In the last of the ninth, W. J. Cameron and Ginn singled and Cameron walked the winning run when Bill Watts' sharp grounder went through the Krankey infield.

Watts and Ginn were 4-5 and J. T. Ladner and Jimmy Larroux 3-4 for Realty at bat. Herman Blackwell was 3-5 for Krankey. Don Cladwell was the winning moundman and Bruce Foyre the loser, both going all the way.

Wednesday's slated double-header had to be postponed because of a power failure after two innings had been played of the first game.

North County News

By JOHN NECAISE

By the of the constant rains and mosquitoes the men of the road working on Kiln-Bay 603 are making quite a headway. Appreciation and admiration go to these brave men. (I suppose I could better send them a case of 6-12).

Wishes for a speedy recovery to Garland Ladner who was injured in an accident and suffered a broken neck. He is reported to be improved in a Jackson hospital.

Another accident - Sister Clara Anthony, M. S. S. T., was burned seriously when gas fumes from a broken bottle were ignited by a hot water heater pilot light. She is reported to be in good condition at the Convent of Annunciation Parish, Kiln. Get well soon also go to Sister.

Father Vernon to leave

The CYO of Annunciation Parish were at Angelo's Restaurant last night to give Rev. Vernon Danemann, Assistant pastor, a going away dinner. Father Vernon will leave the middle of August. He has been Youth Moderator since the organization began three years ago, and was active in getting the group organized. Over the past year period the youth of the parish under Father Vernon and Effie Mazarakis, adult advisor have made retreats, been on various historical New Orleans, heard lectures and talks on religion, and attended two conventions. To show their affection and admiration the Youth Club presented Father Vernon a travel check.

Attending the dinner were Larry Hudson, Beth Lodner, Brenda Hudson, Sharon Hudson, Lowell Moran, Gerald Mouffray, Rae Ann Smith, Clark Smith, Karl Ladner, Butch Ladner, Donald Cuevas, Jerry Spiers, Julia Spiers and Mrs. Effie Mazarakis. Cheryl Seaton also attended as a guest.

The fair and ball games last weekend at White Cypress were a success. For benefit of those coastal Hancock countians who are fighting our blood sucking guests, I thought I would inform you of the fact that the farther from the coast the less mosquitoes. (That's what they tell us anyway).

Rev. Bill Harrison, pastor of Shiloh Memorial Baptist Church, announced their worship services as follows: Sunday School at 9:30 a.m., worship at 11 a.m. and training union at 6:15 p.m. Rev. Kenneth Brown, M.S.S. T., will replace Rev. Vernon Danemann as assistant pastor and youth moderator of Annunciation Parish, Kiln.

VOTE FOR AND SUPPORT

K. S. RHEAMS, SR.

Justice of the Peace

HANCOCK COUNTY, MISS. BEAT 5
YOUR VOTE AND INFLUENCE APPRECIATED

RUSSELL J. ELLIOTT CANDIDATE FOR SUPERVISOR BEAT 5

"ACTION SPEAKS LOUDER THAN WORDS"
Especially when proven actions are so outstanding as Russell Elliott's Record Reveals.

In his present office of Justice of the Peace, he has served with the highest medium of dignity, giving fair and justifiable decisions at all times. Elliott has ruled FOR THE PEOPLE AND BY THE PEOPLE.

During his administration many complicated and controversial cases came into his court. He judged all cases strictly by their merits on the evidence revealed. One such trial was the HIGHLY PUBLICIZED CONTROVERSIAL ISSUE KNOWN AS THE "WINN-DIXIE CASE", whereby it concerned whether or not all businesses in Hancock County would be closed on Sunday or permitted to operate at the Merchants discretion. This case was in the lime-light of the entire Gulf Coast. Some Judges of much higher position would have only accepted this complicated trial with great reluctance.

JUDGE RUSSELL ELLIOTT, without hesitation, handled the case to the satisfaction of the majority of the people in a manner that some top Lawyers and Judges highly complimented his concise and well written decision.

The above proved ELLIOTT's great thinking ability and also that he is a man of DEFINITE ACTION, with concern and consideration for the WELFARE OF THE PEOPLE AND HIS COMMUNITY.

This is "PROVEN ABILITY AND ACTION" NOT MERE WORDS.

We ask you, the people, whom Elliott has so graciously and willingly served, ARE YOU GOING TO LET HIS ACTUAL TRUE RECORD BE FORGOTTEN AND OVER SHADOWED BY MERE WORDS AND SLOGANS OF HIS POLITICAL OPPOSITION?

Please give your answer at the polls on August 6th!

RUSSELL ELLIOTT will greatly appreciate your Vote and Support in His Candidacy for Supervisor of Beat 5.

Approved by Russell J. Elliott, Paid for by Friends.

Harry hears ... Now about the big leagues

With the major league baseball season well over half through, New York's Yankees and the Los Angeles Dodgers have built up comfortable leads in the American and National Leagues, respectively. The Yankees, playing without the services of either Mickey Vernon or Roger Maris this week, look to be unbeatable while the Dodgers are watching the other N. L. contenders slump.

New York is getting surprisingly good pitching from rookie left-hander Al Downing, a strikeout artist who could turn into a real star in future years. Aging catcher Yogi Berra, now a player-coach, has been another Yankee hero. The Bombers' ace last year, Ralph Terry, continues to have his hurling problems but once Terry comes around the Yankees should be headed for their biggest run in years. And they've run away more than once.

Minnesota, Cleveland, Chicago, Baltimore, and Boston all have a shot at New York but will probably just battle it out for second place.

The Dodgers, our pre-season pick to cap National League honors, have been on a rampage and like the Yankees are in a better-than-good position. Lefty fireballer Sandy Kousser has been the spark of the Los Angeles attack, entering this week's schedule on a string of three consecutive shutouts. Kousser and right-hander Don Drysdale are both on the way to 20-game seasons and they'll just about have to make it if L. A. is to win. However, seems like the Dodgers just couldn't blow still another pennant.

St. Louis, San Francisco, and Cincinnati still look like the other big threats in the N. L., although Chicago's Cubs don't want to fade from the picture. The Cardinals have the best first nine, but can't win the close games. The Redbirds have won only two extra-inning contests all season, losing about 90 per cent of the longer games.

On the alleys

Among things helping set up Saturday's exhibition bowling matches between Mid-City of New Orleans and Bay Bowl was Jo Tenzor, niece of Mr. and Mrs. H. J. Daussen of Bay St. Louis, Jo, for those who don't remember, scored the top scratch total and was second on handicap in the 1962 Bowling Proprietors Amateur Assn. national championships in the senior girls division. In simpler terms, this means that she was last year the top female bowler her age in the United States. In New Orleans, now bowling in adult leagues, Jo recently added a 700 series to her many laurels and is one of the few Crescent City ladies ever to top the 700 mark. No longer a member of the American Junior Bowling Congress, Jo couldn't bowl Saturday, fortunately for the local team. Who knows — maybe someday she'll join the pros!

Craig Wood, 12-year-old Felicity St. resident, hit the jackpot last week while fishing off the Bay-Waveland Yacht Club pier. Craig, using a gar line, hooked a 65-pound drumfish. He and young Richard Hodson, dragged the monster under water from the end of the pier into shallow water where they tugged it on land and finally after a struggle got it home. The sea giant was so large it wouldn't fit in the Woods' refrigerator even when cut in half — it certainly was a good catch.

One of Bay Bowling Center's stars, Grace Bortages, scored impressively again last week in the Bay Belles league, rolling a 594 series which included singles of 205 and 204, Janelle McLain also deserves special mention after a sparkling 214 in Strikers League competition.

Several Bay citizens are planning to attend tonight's University of Mississippi Alumni banquet in Biloxi at which head football mentor Johnny Vaught will speak. Among those going are Mr. and Mrs. Walter James Phillips, Mr. and Mrs. Robert Hamilton and Mrs. Fred Wagner.

Dove time

In order to allow outdoorsmen in South Mississippi to have better dove hunting opportunities, the state Game and Fish Commission has announced three split seasons for the coming fall and winter. New dates chosen are Sept. 14-Sept. 29, Oct. 26-Nov. 11, and Dec. 10-Jan. 15, 1964. Seems that in the past the regular seasons have come a bit early for South Mississippi hunters as well as for those in the central part of the state. Looks like good hunting for '63, though!

We won't go into detail, but we must owe our readers at least a prediction on the Liston-Peterson heavyweight title fight scheduled for Monday night. The choice here, hopefully, is Liston because even though he is an ex-con, Sonny from all indications will be a fighting champion and should Peterson come out on top there naturally would be a third rubber bout between the two in about two or three years. Here's a solid vote for a Liston knockout in the third round — bring on Cassius Clay!

CYO nips Roland

Catholic Youth Organization, behind some during base-running by pinchrunner Mike Lee, a game-winning single by Leroy Lutz, and a long home run by Darryl Rhodes, came from behind for a 5-4 victory over Roland Signs in nine innings Monday night in Bay St. Louis action. Kila Youth Center vocated the hero's collar position with a victory by forfeit over Industrial Smelting in Monday's other game.

In a tight pitchers' battle, CYO took a 2-1 lead in the ninth on Rhodes' solo four-bagger, but Roland Signs, trying to snap out of a long losing streak, broke loose for three runs in the top of the seventh inning to tie the game.

Curtis Mathern opened the CYO seventh with a double and circled the bases when fielders misplayed the ball. Al Leduc then singled and Lee went in to run for the CYO pitcher. After two were out, Earl Fayard drilled a long single and Lee rounded second and third and surprised the entire Roland Signs team by trying to score, diving home and jarring the ball loose with the tying run.

In the ninth, CYO's Rhodes singled, Don Sanders was safe on an error, and Luke cleared the rightfielder's head with a deciding line drive.

Mathern was 3-3 and Fayard

2-3 at the plate for CYO. Jimmy Mayfield and Ronnie Maurigi were 3-4 for Roland Signs. Al Leduc was the winning pitcher and Louis Leduc the loser.

Friday, Trapani plays Roland and Kila Youth Center meets Reliance beginning at 5 p.m. Monday, Krazykay faces the Dirty Dabbers before CYO and Industrial collide. Wednesday, it'll be Kila Youth Center vs. Trapani and Southern Realty vs. Roland Signs.

NEW LABOR RULE
Secretary of Labor W. Willard Wirtz recently issued Hazardous Occupations Order No. 17 which bars youths under 18 years of age from holding many excavation jobs previously open to them. This action applies to employment in interstate commerce or in the production of goods for interstate commerce, and to certain large enterprises engaged in it. It limits employment of 16 and 17 year-olds to manual digging and backfilling if branches not more than 4 feet deep.

Mike Pickich Sears winner

Mike Pickich, representing Pass Christian Yacht Club, sailed to victory in the hotly-contested Sears Western District Gulf Yachting Assn. eliminations last weekend at Bay-Waveland Yacht Club, a prelude to the Sears Cup finals, a nation-wide regatta.

Chuck Breach of Bay-Waveland was one of the five races sailed to finish a close second. Pickich scored 17 1/2 points with two firsts while Breach wound up with 17 1/2. Ray Tromble, Jr., of Southern Yacht Club in New Orleans, who could have won the championship with a victory in Sunday's final race, wound up in third position with 15 1/2 points.

Skippers from Jackson and New Orleans Yacht Club also took part in the regatta, sailed in good weather conditions. Harry Chapman was head race committee.

This Saturday and Sunday the local club will revert to regular racing in expert, A, and junior classes as well as in the GP-14 division.

Bay bowlers beat Mid-City juniors

Bay Bowling Center's senior and bantam house teams scored clean sweeps over Mid-City Lanes of New Orleans Saturday in exhibition matches at the local lanes. Bay Bowl's senior boys and senior girls each won three of three games from Mid-City while local bantam boys and girls both won their two games.

Mike Poindester's 537 series, high for the day, sparked the local senior boys to 798-763, 860-835, and 880-830 five-man handicap victories. The local boys also had the leading scratch scores. Other series for Bay Bowl were Tommy Humphreys 477, John Sciffie 408, Harry Shattuck 355, and Jimmy Griffin 332. Poindester had the single game high of 202.

Perry Stephens' 247 two-game set led the Bay St. Louis bantam boys past Mid-City. Barry Favre and Bob Boyd each scored 237. Sr. Poindester rolled 226, and John Dougher 206. Boyd's 147 was high single game. Team scores were 683-659 and 744-694.

The local bantam girls won 666-642 and 755-670. Connie Kemery bowled a 293 series for two games for the winners. Other

ROBERT FRANK LADNER

CANDIDATE FOR Superintendent of Education HANCOCK COUNTY

THE PEOPLE OF HANCOCK COUNTY

I take this opportunity to make my formal announcement as a candidate for election to the office of County Superintendent of Education for Hancock County, subject to the Democratic Primary on August 6th, 1963.

In doing so I would like to thank the people of this County for the confidence shown in giving me a splendid vote in both the First and Second Primaries in 1959.

To most of you I need no introduction, but for the benefit of those who have not yet had the opportunity to meet and for the benefit of the new citizens who may not have been here during other campaigns, I submit this brief biographical background.

I am now 36 years of age, having been born and reared in Hancock County, a son of Mrs. Frank Ladner and the late Frank E. Ladner, of Kiln. I now own my home in Waveland, where I reside with my family.

My wife is the former Miss Dorothy Stockstill, daughter of Mrs. Ernest Stockstill and the late Mr. Stockstill of Piquette. She holds a Bachelor of Science Degree in elementary education from the University of Southern Mississippi and is a teacher at Christ Episcopal School. We have two children, Kenneth, 11 years of age and Lisa, 9 years old.

I was graduated from Kiln High School and Pearl River Junior College. I have a Bachelor of Science Degree from Mississippi State University and I have completed all requirements for a masters degree in school administration. My teaching experiences include 10 years as a classroom teacher in Hancock County and one year in Louisiana and four years administrative experience as principal of Gulfview School.

Other administrative experiences include my employment as agent, special agent, and then staff manager with an insurance company. As special agent my duties carried me through two states where I had the opportunity to observe the operations of many excellent school systems.

I am an overseas Veteran of World War II, having served in the Marine Corps and a member of the American Legion. I am a former Scout Master and am genuinely interested in all phases of youth development. Both my wife and I are members of professional organizations in Mississippi and Louisiana.

My platform includes the following:

(1) Co-operate harmoniously as a partner and executive officer of the School Board to carry on a successful school program.

(2) Conduct the duties as leader of the teaching staff with fairness, dignity and statesmanship.

(3) Strive to create an atmosphere of friendly co-operation with other school systems.

(4) Work to restore lost prestige to county schools by conducting school affairs in an ethical and tactful manner.

(5) Take courageous action for the good of the schools in spite of pressures and influences.

(6) Strive to have all teachers contracts properly executed and paid before Mississippi Teachers' convention each March.

(7) Establish and adhere to a fair salary schedule for all teachers.

(8) Seek ways constantly to improve the curriculum and quality of instruction.

My friends, as guardians of our greatest treasure—our children, we are reminded you to compare your candidates, choose well — your choice is brief but enduring.

It is with a grateful heart that I earnestly solicit your support and influence in the Democratic Primary on August 6th, 1963.

Sincerely,
ROBERT FRANK LADNER

Top gals' teams in clash tonight

Mollere Realty and Moran romped to victories Thursday and Sunday in Women's Softball League competition, and remain deadlocked for the loop's top spot. The two teams play each other tonight for the final time this season and, barring an upset in the four remaining games scheduled, the contest could well decide first place.

Heavy-hitting Moran led all the way en route to a 15-3 triumph over Jerome Sunday night, putting the game out of reach with an eight-run outburst in the third inning.

Bevely Lopez and Cleopatra Moran were 3-4 at the plate for Moran and winning pitcher Bertie Faye Necaise was 2-3. Lopez supplied the fireworks of the night with two home runs, one a grand slam in the big third inning.

Piji White and Mary Middleton were the top hitters for Jerome with two hits in three trips to the plate. Elaine Miller was the losing hurler.

Mollere Realty won by forfeit in Sunday's other scheduled contest when Our Lady of the Gulf could not field a team.

Jeanette Kimball and Henrietta Wesovich paced Mollere Realty to a 16-11 win over Jerome in Thursday action. Kimball swatted two four-baggers for the winners while Wesovich rapped five hits in five trips to the plate.

Dale Sellar went the distance to gain the pitching victory with Elaine Millere winning the defeat.

Moran scored 17 runs on 16 hits in the first inning of Thursday's other game and coasted to a 20-9 victory over OLG. Reba Sears, delaine Moran, Annie registered by for OLG. Bertie Faye Necaise was on the mound and Melvin Luke was charged with the defeat.

Mollere Realty and Moran open today's twin bill at 8 p.m. and OLG and Jerome will follow, the winner to take over possession of third place and improve their standing toward the post-season playoffs. Sunday, Jerome and Mollere Realty collide in the first of two games. OLG faces Moran in the nightcap.

7-Up takes lead in Little League

Seven-Up moved into first place in Little League standings last week with victories over previously undefeated Gulf Coast Express and Coast Electric, coupled with Industrial Baseball's upset of the Express boys.

Industrial tripped Express 5-2 in the upset of the season Monday. Industrial, after going down in order the first three innings, cashed in on five walks and a pair of errors for three runs in the fourth and two in the fifth. P. Ferguson's three-hit pitching sparked the win, with only a two-run homer by losing batter Mike Benigno spelling a shutout. Benigno and Spencer Schayot had the other hits, both singles.

Fast-improving One Oil won a 7-5 thriller from Merchants Bank in Monday's other game, scoring five runs in the fourth and final inning for a 7-0 lead before the Little Leaguers almost pulled it out with six in the fourth. Pacing the Others was Sotira with a single and triple and Davy Kidd with a one-batter blow. White connected for a home run for Merchants and Phillips had a single. Randy Starita was the winning pitcher and Fero the loser.

Friday's thrilling double-header was highlighted by 7-Up's 8-7 win over Coast Electric in six innings. The winners scored four runs in the sixth and emerged victorious only after the Electric-Kids had rallied for three. Doyle and W. Williams scored Triples for 7-Up while Davy Compagno's three-singles sparked Coast Electric. Wingo, pitcher Jackie Strong fanned 13 batters. John Douglas was the loser.

The Junior Sheriffs won Friday's other game, called after four innings because of a time limit, over Rismann on Orville Ferrell's fourth-inning home run. D. Ryan led the winners with two singles and Ben, A. Lafontaine, and G. Blaine each had one hit. S. Lafontaine tripled and singled for Rismann and Don Lecher, A. Arnski, and Worell all singled.

Wednesday's scheduled game resulted in a forfeit victory for Industrial Electric over Merchants Bank.

Three postponed games were completed last week, with 7-Up winning the big one from Gulf Coast Express 7-2 in six innings. Base hits by J. Doyle, Jackie Strong, and J. West in the sixth inning broke open a tight battle. Claude Yarborough was the winning hurler, allowing only singles to Spencer Schayot and Mike Benigno. Benigno was the loser.

Gary Walker's single placed T. Ryan in the ninth inning with the winning run of the longest game of the year as the Junior Sheriffs edged Industrial 10-9 in a contest started two weeks ago and stopped because of time. Joe Schultz was the winning pitcher.

Cue Oil scored at will for a 12-2 win over Rismann and moved closer to a play-off spot. T. Johnson homered and Caldwell slugged two hits for the winners while S. Lafontaine tripled and singled in a losing cause. Davy Kidd was the winner and C. Carver the losing pitcher.
